Not Grid: 351845 Ref: 16/4 (sq)

II* 18C with alternative 3 storey corn mill, with overshot waterwheel, still in operation with machinery remodelled in mid 19C - the only remaining mill of its kind in Anglesey. Rubble masonry. Casement windows, some with small panes remaining. Central and northern porches have roofs of old small slates gabled. Wing to south, with store at higher level and vehicle shelter at lower level has roof of thin slates.
