Outstanding Conservation Area

- II L-shaped, the right-hand wing an extension of no. 3 and apparently of one build, probably C1820, the left-hand wing extending forward with gabled front and being taller and probably of later date. Two sash windows with greyish bars in right-hand wing and two in gable on ground floor (with drip moulds), with single bay with concave roof (having bulbous terminal) and modernised windows on first floor. Fine open cusping to barge boards. All shrouded under slate roof.
