Outstanding Conservation Area

II Probably C1820. Continues range of no. 2, but with higher eaves and slate roof of lower pitch. 2 storeys. Pebble-dashed. 3 large sash windows with grating bars, the middle ones above narrower and ground floor ones of different size (left one being 2-light). Central door of 6 fielded panels with 4-pane overlight within perhaps contemporary open wooden porch on 4 posts with elliptical arches supporting plain pediment. 2 half ridge chimneys. The 3-light casement with Gothic grating bars in left-hand window of ground floor has been destroyed since previous survey.

* Original fireplace uncovered by owner
