Ourstanding Conservation Area

- II C18. Two storey. Pebble dash with projecting painted stone quoin. Slate ^{torched} roof (small slates). Two windows, in heavy painted stone surrounds. The R.H. ground floor window has early 19 glazing with narrow side panel, and the L.H. window has been altered C19. Two panel door, off centre, in surround of engaged reeded columns supporting simple moulded pediment. The interior has timber work which suggests that the house is of C17 date, with C18 altered front. Nearly symmetrical. 2 small casement dormers.
