Gors Fawr

Circle 922

This is a very perfect circle. It is 21½ yds in diameter, and there are fifteen stones, none of them very large, placed at almost equidistant intervals round the circumference. North-east of this circle, and unrecorded in the ordnance map, are two maenhirs, 14 yds apart and aligned west-south-west and east-north-east. The eastern stone is 5 ft 11 ins high, 3 ft wide and 18 ins thick. The western one is about 6 ft high and 2 ft 6 ins wide by 2 ft thick.

A circle of 16 stones & two outliero to the north

JH 1997 based on Cadw 1997.
